(b) *Condition on initial export from the United States.* (1) Each hide (full skin) must be clearly identified by a durable, permanently locking Convention export tag bearing a legend showing the US-CITES logo, State of origin, species, year of take, and a unique serial number. The tag must be inserted through the hide and permanently locked in place using the locking mechanism of the tag and in accordance with State requirements. Hides with broken tags may not be exported. Prior to export and upon submission of documentation to show legality of the

hide, broken tags may be replaced with CITES replacement tags. Hides with valid CITES replacement tags are eligible for export.

(2) US-CITES export tags that were removed from the hides used to manufacture products to be exported must be surrendered to the Service prior to the export of those products.

(3) Meat from legally harvested and tagged alligators shall be packed in State-uniform containers, permanently sealed and labeled as required by State law. Bulk meat containers shall be marked with a State "parts tag" or
